

AARP Driver Safety Program

for drivers 50 and over

First Monday of every month

9:00 a.m. – 1:00 p.m.

Mruk Family Education Center on Aging

(just across Hospital Drive from Baxter Regional Medical Center)

What you will learn:

- Understand the effects of aging on driving
- Learn driving strategies that help take into account the changes we experience as we age
- Identify the most common crash situations faced
- Reduce the chances of having a crash
- Update knowledge and understanding of today's roads, vehicles and other road users
- Think about how you drive
- Identify when driving may no longer be safe

Cost is \$15 for AARP members and \$20 for non members.

For more information and to pre-register, call (870) 508-3880.

After completion of this course, depending on the state where you live and your insurance company's policies, you may be eligible for an automobile insurance premium reduction or discount.
