

# Eyes on

# Diabetes

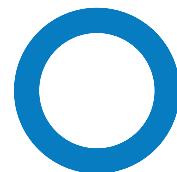

Over 400 million people currently live with diabetes. Diabetes can lead to eye disease which can cause blindness if not caught early. Screening for diabetes complications is important to ensure optimal health.

## **Celebrate World Diabetes Day with Reppell Diabetes Learning Center**

**Monday, November 14  
10 a.m. – 5 p.m.  
Lagerborg Dining Room**

Join the Reppell Diabetes Learning Center for cooking demonstrations, special guest speakers, diabetes vendors, a healthy lunch with after school snacks, and much more! **Trial Net Type 1 Diabetes screenings will be offered free of charge to people who have a relative with T1D.**

The event is free, but space is limited. To register to attend, call the Reppell Diabetes Learning Center at (870) 508-1765, or email RDLC Coordinator Jodi Bodenhamer, RN, CDE, at [jbodenhamer@baxterregional.org](mailto:jbodenhamer@baxterregional.org).
