Thank You For Your Giving Spirit

“Excellent care for every patient every time” – that is what you have allowed us to do with your giving spirit this year. What a “remarkable” year it has been.

From the remodel of our Women and Newborn Care Center, to supporting the services of the Community Houses, granting over 70 nursing scholarships, performing 2,760 mammograms through our Mobile Mammography Unit and awarding 20 Robert L. Kerr Medical Student scholarships, what another “remarkable” year it has been.

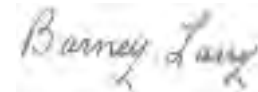

“Excellent care for every patient every time” is accomplished every day by our physicians, nurses and staff as they use the support given to them through your generous gifts.

We are thankful for those who stand by us year after year with their gifts. Thank you for giving hope to so many and

building confidence that BRMC will have a bright future. These gifts are why even in these uncertain times, we have a “remarkable” healthcare facility that makes us all proud.

On behalf of our staff, we want to say how blessed we are to serve with you on this mission. Everyday we count our blessings that we have been given this opportunity to make a difference in so many lives. So as the title of this letter states “Thank you for your giving spirit.”

Sincerely,

Barney Larry, Executive Director, Baxter Regional Hospital Foundation

2013 Major Gifts Capital Campaign

A Year of Women – Moms & Babies!

This past year was the beginning of a \$2 million dollar capital campaign which will continue through 2014 – Building for Babies.

As a non-profit medical Center, BRMC relies on contributions from our community to assist with expansions and enhancements of our facilities and services. Over the years, our supporters have made incredible things possible – all benefit the health and well-being of our community.

This capital campaign is a community-wide effort to enhance BRMC's Women & Newborn Care Center. We now offer an enhanced level of care to our tiniest patients and their families. With the renovations and upgrades, BRMC is the region's leader for women and newborn healthcare.

One-Room Care allows mothers and babies to stay together throughout labor, delivery and recovery. This one-room concept promotes a smooth, family-centered process.

Double Nursery Capacity will allow BRMC to care for double the number of newborns. The upgraded facility will include 10 Level 2 nursery beds.

Advanced Technology will improve the level of care and safety in the nursery.

Enhanced Patient Education And Support will be available for new moms and dads in special rooms designated for education and training regarding breastfeeding and newborn care.

Through the generous support of our donors – both individuals and local businesses, **\$1.2 million was raised** by the adoption of patient rooms, various service areas, the nursery and the family waiting room.

In 2014 the Buy-a-Block phase of this capital campaign will be introduced to our community in order to raise the remaining funds of the \$2 million dollar campaign.

SCWHE Self-Defense Class

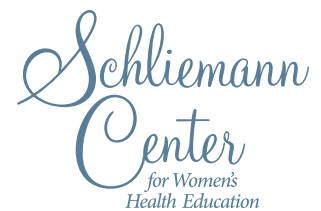

The Reppell Diabetes Learning Center (RDLC) **offers diabetes self-management training through classes, services and support groups** for all ages and all types of diabetes. Unlike many other diseases, diabetes is one that can be managed in order to live a normal, healthy life. Both group and private classes cover all aspects of healthy living to avoid complication of the disease. Recipes, brochures, diabetes magazines, as well as blood glucose monitors are always available.

Working with your physician, the certified diabetes educators and nutritionist, will provide you with all the tools necessary to successfully manage your diabetes and will answer any of your concerns.

It is only through education and an understanding of diabetes that we can reverse this epidemic.

The Reppell Diabetes Learning Center is here for you. Please call 870-508-1765 for more info.

Annual Events Help Fund Programs & Services

Every year, thousands of supporters join us for a variety of events that impact the health of our communities. We strive to create experiences that inspire, educate and make a lasting impression.

Pink For Peitz Rodeo

The Chicks and Spurs drill team and Rand Rodeo Company hosted the 3rd annual Pink for Peitz Rodeo August 9-10, 2013. The event honored breast cancer survivors and brought awareness to the support services available at the Peitz Cancer Support House (PCSH). **The event raised over \$4,400 and all proceeds were donated to benefit PCSH programs and services.**

employees to participate in employee fund drives is 25-35%. Many of the areas funded (some of which are solely funded by our employees) include the Employee Crisis Fund, Friends Fund, Employee Children and Grandchildren Scholarship Fund, Mountain Home Christian Clinic, Hospice House, and Community Health Education and Support Houses.

Lend-A-Hand

Each year, the Baxter Regional Hospital Foundation hosts "Lend-A-Hand, Touch A Life", a campaign to enlist the community's help in financially supporting the Mruk Family Education Center on Aging, Peitz Cancer Support House, Reppell Diabetes Learning Center and Schliemann Center for Women's Health Education.

Employee Fund Drive

This year our remarkable employees once again rose to the occasion with 84% of staff contributing, **pledging a grand total of \$117,213** during the 2013 Employee Fund Drive (EFD) campaign (picture at left). The national average for hospital

This year's Lend-A-Hand campaign included a live auction led by auctioneer Chris Nosari, a Radio-thon hosted by KTLO/KCTT/The Boot, a large gift from the Baxter Regional Medical Center Auxiliary, numerous business contributions and a large mailing campaign. A BIG thanks to our community for their support!

Paws For The Cause

The Peitz Cancer Support House has numerous successful fundraisers throughout the year including Pink for Peitz Rodeo and Dining for a Cause.

Their largest project is an annual pet contest, with the top 12 finalists photographed for the Paws for the Cause calendar. Funds are raised from entry fees, votes for the pets, numerous sponsorships and calendar sales.

Over \$18,000 was raised in 2013 from the calendar project and 100% of all proceeds from this event stay right here in our community and benefit the Peitz Cancer Support House.

Move It For Diabetes

(pictured at right) The 4th annual Move It for Diabetes Run was held in March 2013 at Big Creek Golf and Country Club in Mountain Home. All proceeds from the race went to directly benefit the The Reppell Diabetes Learning Center for programs, services and supplies.

Love Life, Caribbean Style

(pictured at right) The Schliemann Center for Women's Health Education's annual "Love Life" event is their main fundraising event and draws a large crowd of guests that play a major role in the viability of the house. The events have been crowd pleasers in that each year the group "travels" to different countries to which the evening is themed.

"Love Life" events consist of a fabulous meal from the themed country and silent auction of various items donated by area businesses and donors interested in the success of SCWHE. **Over \$22,000 was raised** to support a variety of programs that are offered at the center!

Legacy Society

Legacy Society members form a lasting partnership with the Foundation by making a significant investment in BRMC's future.

The Baxter Regional Hospital Foundation Legacy Society recognizes friends who have remembered BRMC through their will, trust, life insurance policy, retirement plan or by funding a life-income gift such as a charitable gift annuity.

These gifts add stability and long-term funding so the hospital can continue to offer excellent healthcare and meet the demands of the ever-changing world of healthcare.

In 2013, the Legacy members gathered for several events...

In March our group **attended the Broadway performance of 100 Years of Broadway at The Sheid** on the campus of ASUMH after a light dinner at BRMC.

In June **one of our Legacy members hosted a BBQ at their home on the river.** It was a fun time to sit outside and gather socially.

In December, the well-known Dr. David Lipschitz entertained the group at their annual Christmas luncheon at BRMC.
