# THANKS

## To Our “Amazing” Donors...

Over the past years, we have shared with you the purpose statement of Baxter Regional Medical Center: To preserve BRMC as a comprehensive, independent, community-driven health system in order to optimize access to quality healthcare for patients and the communities we serve.

One of the key phrases in our purpose statement is “comprehensive.” What this means to us is to provide the health services of a large city to our rural community. Without each of you—our generous and compassionate donors supporting our mission—we would not be a comprehensive, independent or community-driven health system.

**You, our donors, have allowed us to support the hospital with gifts of \$1,376,796 in 2016. Yet, it is not about the dollars but the lives you have touched and given hope.**

From infants to senior adults, your gifts have made a difference in lives and families. As we continue together to support BRMC, we will bring hope to our community.

On behalf of our staff, we are blessed to have you on this amazing journey with us. Every day we count the blessings we have been given to make a difference in so many lives and it is all because of you, our “amazing” donors.

Sincerely,

Barney Larry, Executive Director,  
Baxter Regional Hospital Foundation

## Annual Events

### Annual Events Help Fund Programs & Services

Every year, thousands of supporters join us for a variety of fun events that impact the health of our communities. We strive to create experiences that inspire, educate and make a lasting impression.

#### Lend-A-Hand

The Baxter Regional Hospital Foundation hosts several events throughout the year with the theme “Lend-A-Hand, Touch A Life”. This is done to enlist the community’s help to financially support the Mruk Family Education Center on Aging, Peitz Cancer Support House, Reppell Diabetes Learning Center and Schliemann Center for Women’s Health Education.

This year’s Lend-a-Hand campaign included a large gift from the Baxter Regional Medical Center Auxiliary, numerous business contributions and a large mailing campaign. **The highlight of the campaign was the 2nd Annual Masquerade Ball.** The attendees came dressed in their finest gowns and suits with a wide array of beautiful masks. Guests enjoyed a fun social hour, silent auction and photos, followed by a delicious dinner. Then at

8:00 pm – the live performance of Sequel Dose had the crowd on the dance floor until midnight!

**Lend-A-Hand Raised  
\$329,000!**

#### Pink For Peitz Rodeo

The Rand Rodeo Company and Chicks and Spurs drill team hosted the 6th annual Pink for Peitz Rodeo August 12-13, 2016. **This year was the 1st official “Tough Enough to Wear Pink” event, a nationwide initiative sponsored by Wrangler, to raise funds and awareness for Breast Cancer through rodeos and western events.** The Pink for Peitz Rodeo brought enjoyment for the whole family while raising \$20,321 to benefit PCSH programs and services provided to cancer patients and loved ones.

#### BRMC Employee Fund Drive

In 2016, our remarkable employees once again rose to the occasion with 86% of the staff contributing, pledging a grand total of \$136,000 during the 2016 Employee Fund Drive (EFD). The national average for hospital employees to participate in employee fund drives is 25%. Many of our areas funded (some of which are solely funded by our employees) include the

(continued from pg. 4)

Employee Crisis Fund, Friends Fund, Employee Children and Grandchildren Scholarship Fund, Mountain Home Christian Clinic, BRMC Community Health Education and Support Houses and Hospice House. In the 16 years of the Employee Fund Drive, BRMC staff members have raised over \$1,600,000!

### Love Life, Oktoberfest

The Schliemann Center for Women's Health Education's annual "Love Life" event is their main fundraising event that always draws a great crowd and plays a major role in supporting the house. 2016 marked the 3rd annual "Wurst Party Ever" where guests enjoyed a traditional German feast along with a "Beir Garten" including numerous craft and home brews. Guests also enjoyed watching the Razorback game on the big screen! Many local businesses and individuals donated live and silent auction items that helped raise over \$23,000 to support programs and services offered at the center!!

### World Diabetes Day

Every year, November 14th is globally recognized as World Diabetes Day (WDD) in honor and celebration of those living with and managing the chronic disease, diabetes. The Reppell Diabetes Learning Center hosted an annual WDD Celebration/Education Program on Monday, November 14th, 2016 with Trial Net Diabetes providing Type 1 Diabetes family screenings.

This free event promotes awareness of each type of diabetes and provides fun and education to all who attend!

### Hangin' Out In The Hangar

The Mruk Family Education Center on Aging held their 3rd annual "Hangin' Out in the Hangar" fundraiser, appropriately named because it has been held in a very large airport hangar. Guests were treated to great food, music, and for the first time this year, several people left with homemade goodies for participating in the fun "cake walk." Of course, we cannot forget one of the largest silent auctions in our area and the popular 50/50 drawing. This year a 50" TV raffle was added. This fundraiser brought in \$15,000!

### Paws For The Cause

The Peitz Cancer Support House held four successful fundraisers during 2016 including Pink Out Football and Dining for a Cause. One project that includes furry family members is an annual pet contest, with the top 12 finalists photographed for the Paws for the Cause calendar. Funds are raised from entry fees, votes for the pets, numerous sponsorships and calendar sales. A total of \$11,181 was raised in 2016 from the calendar project and 100% of the proceeds stay right here in our community and benefit the Peitz Cancer Support House.

# Cardiac & Pulmonary Rehab Unit Sponsored by BRMC Auxiliary

## 2016 Major Gifts

### Another Year of People Helping People

In 2016, the Major Giving program was blessed by many gracious donors that responded to the call of helping BRMC remain comprehensive, independent and community driven. Through the support of our Major Donors, the Hospital Foundation was able to fund a myriad of projects at BRMC this year. As you read about these accomplishments, just know that none of these would have been possible without our generous donors.

**Upon completion of the \$250,000 campaign to renovate the BRMC Cardiac & Pulmonary Rehabilitation Unit sponsored by the BRMC Auxiliary, we held an open house in September to honor our donors who made this renovation a reality.** Many of the donors toured the Unit to see firsthand what their gifts accomplished. Patients that use this facility have since praised the enhancements. With these renovations made possible by gifts from our donors, and a staff of nurses and technicians giving personal attention to every patient, our community can be assured that they will find no better cardiac and pulmonary rehabilitation facility in which to find healing.

**With community support, twenty mental health beds were purchased for the Hensley Behavioral Health Unit (HBHU).** These beds are designed to enhance the care provided by behavioral health staff.

A gift was made to purchase a LIFEPAK® 15 monitor/defibrillator for the Emergency Medical Services (EMS) department at BRMC. Used in hospital ambulance vehicles to monitor patient vitals during transport to BRMC, they are the most advanced monitor/defibrillator on the market allowing data connectivity to easily and securely collect and send patient information directly to the hospital doctors and staff from the ambulance. This device enhances patient care provided by BRMC Paramedics and Cline Emergency Center physicians and staff.

2016 marked thirteen years the Hospital Foundation and BRMC Mobile Mammography Unit (MMU) have partnered with the Susan G. Komen Foundation—Arkansas Affiliate to provide uninsured and underinsured women access to free screening mammograms through Komen Foundation grant funding. **Over 2,400 women were touched by the MMU in 2016.** Taking the MMU to businesses, churches and other locations in the MMU Service Area facilitates easier access to screening mammograms for working women and those financially unable to travel to BRMC for this procedure. We are so thankful to the Komen Foundation and our many community partners who support the mission of the MMU.

# Ask How To Join Our Member Events

## Legacy Society

Legacy Society members form a lasting partnership with the Hospital Foundation by making a significant investment in the future of BRMC.

The Baxter Regional Hospital Foundation Legacy Society recognizes friends who have remembered BRMC through their will, trust, life insurance policy or retirement plan, or by funding a life-income gift such as a charitable gift annuity. These gifts add stability and long-term funding so the hospital can expand and meet the growing demands of healthcare.

During 2016, the Legacy Society members participated in several member events...

In March, our group attended The Hit Men performance at The Sheid on ASUMH campus after enjoying a light dinner at BRMC.

A 2016 highlight was the 10th Anniversary celebration of the Legacy Society. And what is a birthday party without games, hot dogs and birthday

cake! Our members celebrated at Hickory Park on a beautiful fall day in October.

To celebrate the Christmas season, we were treated by The Two Masons to a variety of Christmas music at our annual Christmas luncheon. Ms. Ruth Tennison recited a Christmas narrative and we ended our luncheon with a visit from St. Nick.

**We are thankful for a giving community...  
So we give.**

"I had cancer when I was 18 and currently my dad is battling the disease. During both fights, it was the prayers and support from known and unknown sources that got us through. Having the Peitz Cancer Support House in our community is truly a blessing. We are very thankful for a giving community that makes this resource possible for those who need the support the most."

## Amazing outreach programs for women... So I give.

"I have loved serving on the Schliemann Board for several years. I'm amazed at all the outreach projects that this center offers to women from school age through the golden years. The Schliemann Center for Women's Health Education addresses the unique health and well-being issues for women of all ages."

## Programs for our aging community... So I give.

"I was honored when asked to serve on the board at the Mruk Family Education Center on Aging. The MFECO is perfect for people like me. An accident many years ago left me with a broken back, concussion and crushed hip. Because of this, I have concerns about arthritis & dementia and the Mruk Center has so many programs that help us identify early signs of these issues."

- Katie King Risk, MFECO

**I've seen first-hand the effects of diabetes... So I give.**

"I've seen firsthand how diabetes can effect a patient's life; not only as a pharmacist, but as someone with diabetes in their family. Supporting the Reppell Diabetes Learning Center and serving on their Advisory Board is a way for me to help raise awareness in our community."
